### AMENDMENTS TO THE CLAIMS

Kindly amend the claims as follows:

1. (Canceled)
2. (Currently Amended) The vaccine according to ~~integrated viral complex of claim~~ 37, wherein said virion is as ~~are~~ DNA virions.
3. (Currently Amended) The vaccine according to ~~integrated viral complex of claim~~ 2, wherein said DNA virion iss ~~are a~~ double stranded DNA virions.
4. (Currently Amended) The vaccine according to ~~integrated viral complex of claim~~ 3, wherein said virion ~~double stranded DNA virions belong to the~~ is a herpes viruses.
5. (Currently Amended) The vaccine according to ~~integrated viral complex of claim~~ 4, wherein said ~~herpes-virus~~ is Marek's disease virus.
6. (Canceled)
7. (New) A pharmaceutical composition comprising said vaccine and stabilizing components; wherein said components are selected from a group consisting of carriers, cryoprotectants and excipients.
8. (Currently Amended) The pharmaceutical composition according to ~~of~~ claim 7, supplied as an article of manufacture including packaging material and instructions for use.
9. (Currently Amended) The pharmaceutical composition according to ~~of~~ claim 7, wherein said vaccine comprises ~~virions are double stranded~~ DNA virions.
10. (Currently Amended) The pharmaceutical composition according to ~~of~~ claim 9, wherein said double stranded DNA virions ~~are double stranded DNA virions~~ herpes viruses, especially Marek's disease viruses.
11. (Canceled)
12. (Canceled)
